(a) The creation of the district is essential to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other public purposes stated in this chapter. 1 legislature has established a program to accomplish the public  
2 purposes set out in Section 52-a, Article III, Texas Constitution.

3 (b) The creation of the district is necessary to promote,

6 entertainment, economic development, safety, and the public  
7 welfare in the district.

8 (c) This chapter and the creation of the district may not be  
9 interpreted to relieve the county from providing the level of  
10 services provided as of the effective date of the Act enacting this  
11 chapter to the area in the district. The district is created to  
12 supplement and not to supplant county services provided in the  
13 district.

14 Sec. 3941.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE.

15 (a) The district is created to serve a public use and benefit.

16 (b) All land and other property included in the district

19 Article III, and Section 59, Article XVI, Texas Constitution, and  
20 other powers granted under this chapter.

9 of the public by providing pedestrian ways and by landscaping and

11 the restoration, preservation, and enhancement of scenic beauty;  
12 and

13           (4) provide for water, wastewater, drainage, road, and  
14 recreational facilities for the district.

17 landscaping, parking, and street art objects are parts of and  
18 necessary components of a street and are considered to be a street  
19 or road improvement.

20        (f) The district will not act as the agent or  
21 instrumentality of any private interest even though the district  
22 will benefit many private interests as well as the public.

23        Sec. 3941.005. INITIAL DISTRICT TERRITORY. (a) The  
24 district is initially composed of the territory described by  
25 Section 2 of the Act enacting this chapter.

26        (b) The boundaries and field notes contained in Section 2 of

for which the district is created or to pay the principal of and  
interest on the bonds;
