19 to be spent.

20 (b) Not later than the 10th day before the date of the

6 until a successor is designated.

7 (b) All income received by a county under this chapter,
8 including the revenue from mandatory payments remaining after
9 discounts and fees for assessing and collecting the payments are
10 deducted, shall be deposited with the county depository in the
11 county's local provider participation fund and may be withdrawn
12 only as provided by this chapter.

13 (c) All funds under this chapter shall be secured in the
14 manner provided for securing county funds.

15 Sec. 291.103. LOCAL PROVIDER PARTICIPATION FUND;
16 AUTHORIZED USES OF MONEY. (a) Each county that collects a
17 mandatory payment authorized under this chapter shall create a
18 local provider participation fund.

19 (b) The local provider participation fund of a county
20 consists of:

21 (1) all revenue received by the county attributable to
22 mandatory payments authorized under this chapter, including any
23 penalties and interest attributable to delinquent payments;

24 (2) money received from the Health and Human Services
25 Commission as a refund of an intergovernmental transfer from the
26 county to the state for the purpose of providing the nonfederal
27 share of Medicaid supplemental payment program payments, provided

1 that the intergovernmental transfer does not receive a federal
2 matching payment; and

3 (3) the earnings of the fund.

4 (c) Money deposited to the local provider participation
5 fund may be used only to:

6 (1) fund intergovernmental transfers from the county
7 to the state to provide the nonfederal share of a Medicaid
8 supplemental payment program authorized under the state Medicaid

22 supplemental payment program payments.

23 (d) Money in the local provider participation fund may not
24 be commingled with other county funds.

25 (e) An intergovernmental transfer of funds described by
26 Subsection (c)(1) and any funds received by the county as a result
27 of an intergovernmental transfer described by that subsection may

1 not be used by the county or any other entity to expand Medicaid
2 eligibility under the Patient Protection and Affordable Care Act
3 (Pub. L. No. 111-148) as amended by the Health Care and Education
4 Reconciliation Act of 2010 (Pub. L. No. 111-152).

5 SUBCHAPTER D. MANDATORY PAYMENTS

6 Sec. 291.151. MANDATORY PAYMENTS BASED ON PAYING HOSPITAL
7 NET PATIENT REVENUE. (a) Except as provided by Subsection (e), the
8 commissioners court of a county that collects a mandatory payment
9 authorized under this chapter may require an annual mandatory
10 payment to be assessed quarterly on the net patient revenue of each
11 institutional health care provider located in the county. In the
12 first year in which the mandatory payment is required, the
13 mandatory payment is assessed on the net patient revenue of an
14 institutional health care provider as determined by the data
15 reported to the Department of State Health Services under Sections
16 311.032 and 311.033 in the fiscal year ending in 2014. The county
17 shall update the amount of the mandatory payment on an annual basis.

18 (b) The amount of a mandatory payment authorized under this
19 chapter must be uniformly proportionate with the amount of net
20 patient revenue generated by each paying hospital in the county. A
21 mandatory payment authorized under this chapter may not hold
22 harmless any institutional health care provider, as required under
23 42 U.S.C. Section 1396b(w).

24 (c) The commissioners court of a county that collects a
25 mandatory payment authorized under this chapter shall set the
26 amount of the mandatory payment. The amount of the mandatory
27 payment required of each paying hospital may not exceed an amount

1 that, when added to the amount of the mandatory payments required
2 from all other paying hospitals in the county, equals an amount of
3 revenue that exceeds six percent of the aggregate net patient
4 revenue of all paying hospitals in the county.

5 (d) Subject to the maximum amount prescribed by Subsection
6 (c), the commissioners court of a county that collects a mandatory
7 payment authorized under this chapter shall set the mandatory
8 payments in amounts that in the aggregate will generate sufficient
9 revenue to cover the administrative expenses of the county for
10 activities under this chapter, to fund the nonfederal share of a
11 Medicaid supplemental payment program, and to pay for indigent
12 programs, except that the amount of revenue from mandatory payments
13 used for administrative expenses of the county for activities under
14 this chapter in a year may not exceed the lesser of four percent of
15 the total revenue generated from the mandatory payment or \$20,000.

16 (e) A paying hospital may not add a mandatory payment
17 required under this section as a surcharge to a patient.

18 Sec. 291.152. ASSESSMENT AND COLLECTION OF MANDATORY
19 PAYMENTS. (a) Except as provided by Subsection (b), the county tax
20 assessor-collector shall collect the mandatory payment authorized
21 under this chapter. The county tax assessor-collector shall charge
22 and deduct from mandatory payments collected for the county a fee
23 for collecting the mandatory payment in an amount determined by the
24 commissioners court of the county, not to exceed the county tax
25 assessor-collector's usual and customary charges.

26 (b) If determined by the commissioners court to be
27 appropriate, the commissioners court may contract for the

1 assessment and collection of mandatory payments in the manner
2 provided by Title 1, Tax Code, for the assessment and collection of
3 ad valorem taxes.

4 (c) Revenue from a fee charged by a county tax
5 assessor-collector for collecting the mandatory payment shall be
6 deposited in the county general fund and, if appropriate, shall be
7 reported as fees of the county tax assessor-collector.

8 Sec. 291.153. INTEREST, PENALTIES, AND DISCOUNTS.
9 Interest, penalties, and discounts on mandatory payments required
10 under this chapter are governed by the law applicable to county ad
11 valorem taxes.

12 Sec. 291.154. PURPOSE; CORRECTION OF INVALID PROVISION OR
13 PROCEDURE. (a) The purpose of this chapter is to generate revenue
14 by collecting from institutional health care providers a mandatory
15 payment to be used to provide the nonfederal share of a Medicaid
16 supplemental payment program.

17 (b) To the extent any provision or procedure under this
18 chapter causes a mandatory payment authorized under this chapter to
19 be ineligible for federal matching funds, the county may provide by
20 rule for an alternative provision or procedure that conforms to the
21 requirements of the federal Centers for Medicare and Medicaid
22 Services.

23 SECTION 2. If before implementing any provision of this Act
24 a state agency determines that a waiver or authorization from a
25 federal agency is necessary for implementation of that provision,
26 the agency affected by the provision shall request the waiver or
27 authorization and may delay implementing that provision until the

1 waiver or authorization is granted.

2 SECTION 3. This Act takes effect immediately if it receives
3 a vote of two-thirds of all the members elected to each house, as
4 provided by Section 39, Article III, Texas Constitution. If this
5 Act does not receive the vote necessary for immediate effect, this
6 Act takes effect September 1, 2015.
