8 and indigent care programs as provided by this chapter.

9 (b) The commissioners court may adopt an order authorizing a
10 county to participate in the program, subject to the limitations
11 provided by this chapter.

12 SUBCHAPTER B. POWERS AND DUTIES OF COMMISSIONERS COURT

13 Sec. 297.051. LIMITATION ON AUTHORITY TO REQUIRE MANDATORY
14 PAYMENT. The commissioners court of a county may require a
15 mandatory payment authorized under this chapter by an institutional
16 health care provider in the county only in the manner provided by
17 this chapter.

18 Sec. 297.052. MAJORITY VOTE REQUIRED. The commissioners
19 court of a county may not authorize the county to collect a

21 affirmative vote of a majority of the members of the commissioners
22 court.

23 Sec. 297.053. RULES AND PROCEDURES. After the
24 commissioners court has voted to require a mandatory payment

1 REPORTING; INSPECTION OF RECORDS. (a) The commissioners court of a
2 county that collects a mandatory payment authorized under this
3 chapter shall require each institutional health care provider to

5 required by and reported to the Department of State Health Services
6 under Sections 311.032 and 311.033 and any rules adopted by the
7 executive commissioner of the Health and Human Services Commission
8 to implement those sections.

9 (b) The commissioners court of a county that collects a
10 mandatory payment authorized under this chapter may inspect the
11 records of an institutional health care provider to the extent
12 necessary to ensure compliance with the requirements of Subsection
13 (a).

14 SUBCHAPTER C. GENERAL FINANCIAL PROVISIONS

15 Sec. 297.101. HEARING. (a) Each year, the commissioners
16 court of a county that collects a mandatory payment authorized
17 under this chapter shall hold a public hearing on the amounts of any
18 mandatory payments that the commissioners court intends to require
19 during the year and how the revenue derived from those payments is
20 to be spent.

21 (b) Not later than the 10th day before the date of the
22 hearing required under Subsection (a), the commissioners court of
23 the county shall publish notice of the hearing in a newspaper of
24 general circulation in the county.

25 (c) A representative of a paying hospital is entitled to
26 appear at the time and place designated in the public notice and to
27 be heard regarding any matter related to the mandatory payments

1 authorized under this chapter.

2 Sec. 297.102. DEPOSITORY. (a) The commissioners court of
3 each county that collects a mandatory payment authorized under this
4 chapter by resolution shall designate one or more banks located in
5 the county as the depository for mandatory payments received by the
6 county. A bank designated as a depository serves for two years or
7 until a successor is designated.

8 (b) All income received by a county under this chapter,
9 including the revenue from mandatory payments remaining after
10 discounts and fees for assessing and collecting the payments are
11 deducted, shall be deposited with the county depository in the
12 county's local provider participation fund and may be withdrawn
13 only as provided by this chapter.

14 (c) All funds under this chapter shall be secured in the
15 manner provided for securing county funds.

16 Sec. 297.103. LOCAL PROVIDER PARTICIPATION FUND;
17 AUTHORIZED USES OF MONEY. (a) Each county that collects a
18 mandatory payment authorized under this chapter shall create a
19 local provider participation fund.

20 (b) The local provider participation fund of a county
21 consists of:

22 (1) all revenue received by the county attributable to
23 mandatory payments authorized under this chapter, including any
24 penalties and interest attributable to delinquent payments;

25 (2) money received from the Health and Human Services
26 Commission as a refund of an intergovernmental transfer from the
27 county to the state for the purpose of providing the nonfederal

share of Medicaid supplemental payment program payments, provided that the intergovernmental transfer does not receive a federal matching payment; and

(3) the earnings of the fund.

(c) Money deposited to the local provider participation fund may be used only to:

(1) fund intergovernmental transfers from the county to the state to provide the nonfederal share of a Medicaid supplemental payment program authorized under the state Medicaid plan, the Texas Healthcare Transformation and Quality Improvement Program waiver issued under Section 1115 of the federal Social Security Act (42 U.S.C. Section 1315), or a successor waiver program authorizing similar Medicaid supplemental payment programs;

(2) subsidize indigent programs;

(3) pay the administrative expenses of the county solely for activities under this chapter;

(4) refund a portion of a mandatory payment collected in error from a paying hospital; and

(5) refund to paying hospitals the proportionate share of money received by the county from the Health and Human Services Commission that is not used to fund the nonfederal share of Medicaid supplemental payment program payments.

(d) Money in the local provider participation fund may not be commingled with other county funds.

(e) An intergovernmental transfer of funds described by Subsection (c)(1) and any funds received by the county as a result

of an intergovernmental transfer described by that subsection may not be used by the county or any other entity to expand Medicaid eligibility under the Patient Protection and Affordable Care Act (Pub. L. No. 111-148) as amended by the Health Care and Education Reconciliation Act of 2010 (Pub. L. No. 111-152).

SUBCHAPTER D. MANDATORY PAYMENTS

Sec. 297.151. MANDATORY PAYMENTS BASED ON PAYING HOSPITAL NET PATIENT REVENUE. (a) Except as provided by Subsection (e), the commissioners court of a county that collects a mandatory payment authorized under this chapter may require an annual mandatory payment to be assessed quarterly on the net patient revenue of each institutional health care provider located in the county. In the first year in which the mandatory payment is required, the mandatory payment is assessed on the net patient revenue of an institutional health care provider as determined by the data reported to the Department of State Health Services under Sections [311.032](#) and [311.033](#) in the fiscal year ending in 2013. The county may update the amount of the mandatory payment on an annual basis based on data reported to the Department of State Health Services in a more recent fiscal year.

(b) The amount of a mandatory payment authorized under this chapter must be uniformly proportionate with the amount of net patient revenue generated by each paying hospital in the county. A mandatory payment authorized under this chapter may not hold harmless any institutional health care provider, as required under 42 U.S.C. Section 1396b(w).

(c) The commissioners court of a county that collects a

1 mandatory payment authorized under this chapter shall set the
2 amount of the mandatory payment. The amount of the mandatory
3 payment required of each paying hospital may not exceed an amount
4 that, when added to the amount of the mandatory payments required
5 from all other paying hospitals in the county, equals an amount of
6 revenue that exceeds six percent of the aggregate net patient
7 revenue of all paying hospitals in the county.

8 (d) Subject to the maximum amount prescribed by Subsection
9 (c), the commissioners court of a county that collects a mandatory
10 payment authorized under this chapter shall set the mandatory
11 payments in amounts that in the aggregate will generate sufficient
12 revenue to cover the administrative expenses of the county for
13 activities under this chapter, to fund the nonfederal share of a
14 Medicaid supplemental payment program, and to pay for indigent
15 programs, except that the amount of revenue from mandatory payments
16 used for administrative expenses of the county for activities under
17 this chapter in a year may not exceed the lesser of four percent of
18 the total revenue generated from the mandatory payment or \$20,000.

19 (e) A paying hospital may not add a mandatory payment
20 required under this section as a surcharge to a patient.

21 Sec. 297.152. ASSESSMENT AND COLLECTION OF MANDATORY
22 PAYMENTS. (a) Except as provided by Subsection (b), the county tax
23 assessor-collector shall collect the mandatory payment authorized
24 under this chapter. The county tax assessor-collector shall charge
25 and deduct from mandatory payments collected for the county a fee
26 for collecting the mandatory payment in an amount determined by the
27 commissioners court of the county, not to exceed the county tax

1 assessor-collector's usual and customary charges.

2 (b) If determined by the commissioners court to be
3 appropriate, the commissioners court may contract for the
4 assessment and collection of mandatory payments in the manner
5 provided by Title 1, Tax Code, for the assessment and collection of
6 ad valorem taxes.

7 (c) Revenue from a fee charged by a county tax
8 assessor-collector for collecting the mandatory payment shall be
9 deposited in the county general fund and, if appropriate, shall be
10 reported as fees of the county tax assessor-collector.

11 Sec. 297.153. INTEREST, PENALTIES, AND DISCOUNTS.
12 Interest, penalties, and discounts on mandatory payments required
13 under this chapter are governed by the law applicable to county ad
14 valorem taxes.

15 Sec. 297.154. PURPOSE; CORRECTION OF INVALID PROVISION OR
16 PROCEDURE. (a) The purpose of this chapter is to generate revenue
17 by collecting from institutional health care providers a mandatory
18 payment to be used to provide the nonfederal share of a Medicaid
19 supplemental payment program.

20 (b) To the extent any provision or procedure under this
21 chapter causes a mandatory payment authorized under this chapter to
22 be ineligible for federal matching funds, the county may provide by
23 rule for an alternative provision or procedure that conforms to the
24 requirements of the federal Centers for Medicare and Medicaid
25 Services.

26 SECTION 2. If before implementing any provision of this Act
27 a state agency determines that a waiver or authorization from a

1 federal agency is necessary for implementation of that provision,
2 the agency affected by the provision shall request the waiver or
3 authorization and may delay implementing that provision until the
4 waiver or authorization is granted.

5 SECTION 3. This Act takes effect immediately if it receives
6 a vote of two-thirds of all the members elected to each house, as
7 provided by Section 39, Article III, Texas Constitution. If this
8 Act does not receive the vote necessary for immediate effect, this
9 Act takes effect September 1, 2015.
