SUBCHAPTER A. GENERAL PROVISIONS

(2) "Commission" means the Texas Commission on Environmental Quality.

(3) "County" means Williamson County, Texas.

(4) "Director" means a board member.

2 Sec. 3933.004. PURPOSE; LEGISLATIVE FINDINGS. (a) The
3 creation of the district is essential to accomplish the purposes of
4 Sections 52 and 52-a, Article III, and Section 59, Article XVI,
5 Texas Constitution, and other public purposes stated in this
6 chapter. By creating the district, the legislature has established
7 a program to accomplish the public purposes set out in Section 52-a,
8 Article III, Texas Constitution.

9 (b) The creation of the district is necessary to promote,
10 develop, encourage, and maintain employment, commerce,
11 transportation, housing, tourism, recreation, the arts,
12 entertainment, economic development, safety, and the public
13 welfare and for other similar purposes in the district.

14 (c) This chapter and the creation of the district may not be
15 interpreted to relieve the county from providing the level of
16 services provided to the area in the district as of the effective
17 date of the Act enacting this chapter. The district is created to
18 supplement and not to supplant the county services provided in the
19 district.

20 Sec. 3933.005. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
21 The district is created to serve a public use and benefit.

22 (b) All land and other property included in the district
23 will benefit from the improvements and services to be provided by
24 the district under powers conferred by Sections 52 and 52-a,
25 Article III, and Section 59, Article XVI, Texas Constitution, and
26 other powers granted under this chapter.

27 (c) The district is created to accomplish the purposes of a

1 municipal management district as provided by general law and
2 Sections 52 and 52-a, Article III, and Section 59, Article XVI,
3 Texas Constitution.

4 (d) The creation of the district is in the public interest
5 and is essential to:

6 (1) further the public purposes of developing and

8 (2) eliminate unemployment and underemployment; and

9 (3) develop or expand transportation and commerce.

10 (e) The district will:

11 (1) promote the health, safety, and general welfare of
12 residents, employers, potential employees, employees, visitors,
13 and consumers in the district, and of the public;

14 (2) provide needed funding for the district to
15 preserve, maintain, and enhance the economic health and vitality of

23 or adjacent to the district that are necessary for the restoration,
24 preservation, and enhancement of scenic beauty.

25 (f) Pedestrian ways along or across a street, whether at
26 grade or above or below the surface, and street lighting, street
27 landscaping, parking, and street art objects are parts of and

1 necessary components of a street and are considered to be a street
2 or road improvement.

3 (g) The district will not act as the agent or
4 instrumentality of any private interest even though the district
5 will benefit many private interests as well as the public.

6 Sec. 3933.006. INITIAL DISTRICT TERRITORY. (a) The
7 district is initially composed of the territory described by
8 Section 2 of the Act enacting this chapter.

9 (b) The boundaries and field notes contained in Section 2 of
10 the Act enacting this chapter form a closure. A mistake in the
11 field notes or in copying the field notes in the legislative process
12 does not affect the district's:

13 (1) organization, existence, or validity;

7 increment fund to the district to be used by the district for:

8 (1) the purposes permitted for money granted to a

14 tax increment reinvestment zone described by Subsection (a), the
15 county or municipality may determine the percentage of the property
16 in the zone that may be used for residential purposes and is not
17 subject to the limitations provided by Section 311.006, Tax Code.

18 Sec. 3933.008. APPLICABILITY OF MUNICIPAL MANAGEMENT
