## A BILL TO BE ENTITLED

1 AN ACT

- 2 relating to a study on the feasibility and potential costs and
- 3 benefits of implementing a pay-for-performance contract program
- 4 for certain criminal justice programs and services.
- 5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
- 6 SECTION 1. (a) In this section, "department" means the
- 7 Texas Department of Criminal Justice.
- 8 (b) The department shall conduct a study to determine the
- 9 feasibility and potential costs and benefits to this state of
- 10 implementing a pay-for-performance contract program under which
- 11 the department would:
- 12 (1) contract with an administrator for the operation
- 13 of criminal justice programs or the provision of criminal justice
- 14 services, the operation or provision of which would be funded using
- 15 investor-provided financial capital; and
- 16 (2) make contract payments to the administrator using
- 17 general obligation bond proceeds or other available money only if
- 18 specified performance requirements for and outcomes from the
- 19 programs and services are achieved and the return on investment to
- 20 this state is positive, thereby rewarding successful results and
- 21 shifting the financial risk from this state.
- (c) The department may request assistance and information
- 23 from the comptroller of public accounts, the Texas Public Finance
- 24 Authority, or any other state agency as necessary to conduct the

- 1 study required by this section.
- 2 (d) Not later than November 1, 2016, the department shall
- 3 submit a report on the results of the study to the governor, the
- 4 lieutenant governor, and the presiding officers of the standing
- 5 committees of the senate and house of representatives having
- 6 jurisdiction over criminal justice programs and services. The
- 7 report must indicate whether and to what degree implementing a
- 8 pay-for-performance program described by Subsection (b) of this
- 9 section would be cost-effective and feasible, as determined by the
- 10 department. If the department determines a pay-for-performance
- 11 program would be cost-effective and feasible, the report must:
- 12 (1) make recommendations regarding the manner in which
- 13 the department could effectively operate the program and the types
- 14 of criminal justice programs and services that would be selected
- 15 for the program; and
- 16 (2) identify any changes in law necessary for
- 17 implementation of the program.
- 18 (e) This section expires January 1, 2017.
- 19 SECTION 2. This Act takes effect immediately if it receives
- 20 a vote of two-thirds of all the members elected to each house, as
- 21 provided by Section 39, Article III, Texas Constitution. If this
- 22 Act does not receive the vote necessary for immediate effect, this
- 23 Act takes effect September 1, 2015.
